this second volume of starr s cultural history of the golden state focuses on the turn of the century years and the emergence of southern california as a regional culture in its own right

this second volume in kevin starr s passionate and ambitious cultural history of the golden state focuses on the turn of the century years and the emergence of southern california as a regional culture in its own right how hauntingly beautiful how replete with lost possibilities seems that southern california of two and three generations ago now that a dramatically different society has emerged in its place writes starr as he recreates the lost california starr examines the rich variety of elements that figured in the growth of the southern california way of life the spanish mexican roots the fertile land the mediterranean like climate the special styles in architecture the rise of hollywood he ives us a broad array of engaging and often eccentric characters from harrison gray otis to helen hunt jackson to cecil b demille whether discussing the growth of winemaking or the burgeoning of reform movements starr keeps his central theme in sharp focus how californians defined their identity to themselves and to the nation a delightful and extremely thorough chronicle of a state that is almost a mythical kingdom st louis post dispatch an excellent book vividly written thoroughly researched rich in details and alive with interesting and sometimes incredible people los angeles times

learn how to use dreamwork to translate personalized messages from your unconscious to gain spiritual growth and self awareness a dream is not just white noise or something that happens to you while you sleep dreams are the secret language of your unconscious they hold critical information that if embraced and explored can transform your waking life dreaming on both sides of the brain will guide you through this fertile nighttime landscape to unlock the secrets of your personal dream language explore and interpret the meaning of your dreams and harness the power of your brain to uncover a life of greater richness and meaning so often when we awake we find that our dreams have either evaporated like mist or seem to be just on the edge of our memory many people cannot recall their dreams at all clinical psychologist and psychotherapist doris e cohen has developed a 7 step process to let you tap into the rich repository of your subconscious 1 recall and record 2 title your dream 3 read or repeat aloud 4 consider what is uppermost in your life right now 5 describe your dream s objects and qualities as if you were talking to a martian 6 summarize the message from the unconscious 7 consider the dream s guidance for waking life drawing on years of clinical experience and her familiarity with freud myth and sacred writings cohen presents a program that results in a life of abundance texture and self awareness

this broad range of papers covers different aspects of social dreaming the book begins with a summary of the social dreaming matrix conceptualised as a temporary system with its intakes transformation processes and outputs the remaining chapters cover social dreaming in different contexts including amongst others from the perspectives of art architecture theatre working with immigrants with pilots and lawyers and family mediators and hospitals all the papers cover areas outside of the goal orientated activities of the institution and examine what they may be saying about the organization of the participants

a timely addition to the literature on the holy book of islam this translation provides both the original arabic verse as well as extensive explanations and interpretations in modern english additional commentary is offered on the social and historical aspects of islam as well as the existence and unity of god the concept of resurrection and other theological complexities several special glossaries detailing the names of god and qur an vocabulary are also included

in 1880 californians believed a woman safeguarded the republic by maintaining a morally sound home scarcely forty years later women in the state won full fledged citizenship and voting rights by stepping outside the home to engage in robust activism gayle gullett reveals how this enormous transformation came about and the ways women s search for a larger public life led to a flourishing women s movement in california though voters rejected women s radical demand for citizenship in 1896 women rebuilt the movement in the early years of the twentieth century and forged critical bonds between activist women and the men involved in the urban good government movement this alliance formed the basis of progressivism with male progressives helping to legitimize women s new public work by supporting their civic campaigns appointing women to public office and placing a suffrage referendum before the male electorate in 1911 placing local developments in a national context becoming citizens illuminates the links between women s reform movements and progressivism in the american west

harness the transformative power of night dreams half awake dreams and daydreams for healing manifestation and insight examines the types of dreams we have and how to remember and interpret them offers techniques for using night dreams and liminal dreams to improve our health and well being and for manifesting our dreams in reality provides techniques for using

daydreams for healing insight and creativity explains how dream techniques can be used to influence the behavior of people things and nature in the waking world dreams can change our lives in profound and tangible ways in this guide to mastering the art of dreaming serge kahili king ph d explores techniques to harness the power of dreams for healing transformation and changing your experience of reality drawing on his analysis of more than 5 000 of his own dreams as well as those of students and clients from his almost 50 years of clinical work king examines the types of night dreams we have how to remember them better how to make use of them to improve our health and well being and how to interpret them he explores how dreams are understood in neuroscience and psychology in native american and aboriginal cultures in indigenous senoi dream theory and in india tibet hawaii and africa as well as ancient egypt greece and china he examines the power of liminal dreams those experienced in the half awake state before or after sleep for manifestation and self understanding he offers techniques for enhancing the dream experience for both night dreams and liminal dreams along with practical methods to induce lucid conscious dreaming and to create healing thoughtforms king then explores daydreams in depth including fantasy guided imagery meditation visions and remote viewing and provides techniques for using daydreams for healing insight and creativity he divides daydreaming into two categories defining active daydreaming as the scripted dream in which you envision a goal happening and passive daydreaming as allowing ideas and memories to arise spontaneously from the depths of the mind reflecting on how dreamlike our daily experience is king shows that each of us can use dreams as tools for seeing the world differently and influencing the behavior of people things and nature

an entrancing collection of stories based on the world fantasy award winning sandman comic book series by neil gaiman the basis for the highly anticipated netflix series and hailed by the los angeles times magazine as the greatest epic in the history of comic books including contributions from tori amos clive barker susanna clarke tad williams and gene wolfe among other celebrated names in fantasy and horror there is a dark king who rules our dreams from a place of shadows and fantastic things he is morpheus the lord of story older than humankind itself he inhabits along with destiny death destruction desire despair and delirium his endless sisters and brothers the realm of human consciousness his powers are myth and nightmare inspirations pleasures and punishments manifested beneath the blanketing mist of sleep surrender to him now sandman the book of dreams is
