Features of Massachusetts Real Estate License Exam Prep: MA ReLEP National Principles Law Key Point Review 60 pages, Real Estate Math Key Formula Review Practice 20 pages, Massachusetts Specific Laws and Practices 35 pages, National Practice Tests 500 questions, Massachusetts Practice Tests 100 questions, Massachusetts Sample Exam 100 questions. We know the real estate licensing exam can be tough and very nerve-wracking to prepare for, that's why we created Massachusetts Real Estate License Exam Prep: MA ReLEP the way we did, since we have been managing real estate schools and developing curriculum for forty years, we know how all this works or fails to work. MA ReLEP is comprehensive in that it contains both key content review and testing practice, and the text review is Massachusetts specific, not just simplistic national content, but terse, relevant, and accurate Massachusetts laws and regulations presented as a well-organized set of state key point reviews, ideal for pre-test memorization, but let's not dismiss the importance of the national content either. MA ReLEP's national key point reviews are a succinct compression of tested national principles and practices that comprise the national portion of state license exams. From coast to coast, our content is drawn from our own national textbook, Principles of Real Estate Practice, one of the most widely used principles textbooks in the country. Finally, our national content, as well as our question selection, is further tailored to the state testing outline promulgated by PSI for Massachusetts. Thus, the breadth and depth of the law reviews and test questions reflect the topic emphasis of your state's testing service and your Massachusetts license exam. A word about the test questions: MA ReLEP's testing practice section consists of ten national practice tests, eight state practice tests, and one state exam sample test. The practice tests are roughly 50 questions in length, and the sample test is 100 questions. The test questions are designed to cover the content covered by the law reviews, which reinforces your learning of the total body of information tested by your state exam. The questions are direct to the point and
