this book is a thematic extraction from a larger research work kim tat brahma what is that brahman which is roughly around 4000 pages split across multiple volumes is honestly speaking a humble yet sincere attempt on an unbiased holistic inter disciplinary research involving traditional schools of philosophies oriental and occidental and modern science in unravelling the mysteries of nature and discovering the supreme divinity which is the infinite dimensional pure absolute non dualistic singularity that underlies the infinite varieties observed not only in the phenomenal world but is also the ultimate truth hidden behind all the philosophical perspectives the present volume provides a detailed inquiry into the spiritual significance of the legends around lord murugan his incarnation birth and festivals analyzing it from various original sources ancient tamil and sanskrit scriptures including vedas agamas agamas epics puranas tamil sangam literature tamil bhakti literature siddha literature saiva siddhanta as well as comparative analysis from modern science and other religions as well wherever possible there is a very comprehensive quotation from these sources in its original language as well as an english transliteration and translation from scholars of the same i strongly believe this book will greatly help for indology research scholars and murugan devotees

revisiting the bible is a free book about the book of revelation artificial super intelligence fulfilled prophecy bad apologetics and various insights this book is rather long with some two hundred chapters and because of this fact it cannot be easily summarized that said the foremost purpose of this book is a detailed commentary on the book of revelation to explain the nature of the beast or the antichrist and the mysteries of god although given the length of the commentary there is more theology than talk about the beast or artificial super intelligence the book
